

The Power of Her: A Celebration of Women-Owned Business

In the world of disaster recovery and restoration, SERVPRO Team Zubricki emerges as a beacon of resilience and empowerment. Not only do they have over a decade of experience, but they also proudly represent the essence of women-owned businesses. SERVPRO Team Zubricki's emphasis on leadership and their unwavering commitment to excellence has not only transformed their company but also served as an inspiration to young women aspiring to break barriers and excel in traditionally male-dominated industries.

At the core of SERVPRO Team Zubricki's ongoing success are visionary leaders who continue to break industry norms. This legacy is upheld by Patricia Zubricki, the matriarch of the Zubricki family, who not only continues to make significant contributions but also works side by side with her daughters. Patricia's unwavering mentorship has played a pivotal role in preparing her daughters to seamlessly assume leadership roles, ensuring a thriving business and empowering the next generation of leaders. Her dedication, foresight, and resilience not only fuel the company's growth but also establish a foundation for a lasting legacy of excellence. In the following sections, we will introduce the other two remarkable women who help constitute an inspiring team of women actively propelling positive change in their industry.

Stephanie Zubricki

QuickBooks, Storm & Large Loss Projects, Finance

Stephanie Zubricki, a driving force at SERVPRO Team Zubricki, is nothing short of exceptional. Armed with a Master's degree in Public Administration, Stephanie's strategic prowess guides the company to unparalleled success.

Stephanie currently sits on Servpro HQ's Operating System Information Board (OSIB), bridging the gap between franchise owners and corporate leadership while actively serving on the finance committee. Stephanie was a shining star in the Servpro Women's Initiative (SWI) panel and a key contributor to sharing her success in the industry. In addition, Stephanie's heart is as big as her achievements. She passionately supports "Camp I AM ME," an initiative by the Illinois Fire Safety Alliance. Here, Stephanie assumes the role of a Camp Counselor and provides invaluable support to young burn survivors.

Stephanie's adventurous spirit knows no bounds. She has fearlessly faced disaster zones, including most recently an extended stay in Florida during Hurricane Ian 2022 and helping during Winter Storm Elliott 2022-23 in North Carolina. She enjoys going on personal travels in addition to business excursions. Due to her passion for mountains, she has gone skiing in Poland, Colorado, Canada, and Switzerland.

Stephanie Zubricki is more than an exceptional leader; she's an inspiration, urging others to reach for the stars and embrace life's diverse adventures.

Amanda Zubricki

Accounts Receivable, Office Admin, Finance

Amanda Zubricki, an integral member of SERVPRO Team Zubricki, brings her strong financial background to drive the company's success. Armed with an Accounting degree from the University of Illinois Urbana-Champaign, Amanda's journey began in Corporate Finance.

At SERVPRO, Amanda manages both the company's finances and the day-to-day operations of the Chicago branch. Her dedication isn't confined to the office; she's often in the field, especially during emergencies. Amanda's commitment was evident when she spent an impressive 2.5 months on-site in Louisiana during the Winter Freeze.

Beyond finance, Amanda is a remarkable athlete, a member of Chicago's only sub-elite All-Female racing team sponsored by Nike, The Chicago Windrunners. In addition, she recently achieved a personal best time of 3:04 at the Berlin Marathon.

In June 2023, Amanda celebrated her wedding and a new chapter in her life. However, her dedication to the business remains unwavering.
